Secretary Gardner Denies That

NEW ONES BEING FORMED

Dissatisfaction Exists.

Vermont Republicans Said to Be Willing to Support Bryan-Senator Proctor Asserts That His State Will Give a Big Majority for McKinley-South Dakota Claimed for Republicans.

Secretary Gardner, of the Democratic Congressional campaign committee, left for New York city today, where he expects to remain a few days assisting in the organiza tion of some new Democratic campaign

in circulation to the effect that the Demo cratic managers were considerably worried because of prospective defections from the National Association of Democratic Clubs, of which Mr. Gardner is also the secretary. It has been said that there is a spiri of dissatisfaction manifest among the club membership, and that a large number of ciubs expected to surrender their charters, According to the story, they would probably find a license for severing their rela ionship in the anticipated bolt of the Chiago ticket by Postmaster-General Wilson,

sociation. This belief has been hinged on the suposition that he must either antagonize Bryan or retire forthwith from the Calinet. Consequently, many of the clubs would feel justified in following Mr. Wilson out of the organization.

CLUBS ALL IN LINE.

As the story went, the party managers were especially anxious to keep the clubs in line and for that reason would send Mr Gardner first to New York and the East, where the defection was expected to be the most serious, and afterward to other sections

larly valuable as a commissioner to go spirit in it since the beginning of such a movement, is personally acquainted with nine-tenths of the members, has traveled in the interest of the association, and could exert a greater influence than anyone else who might be selected.

In reply to this rather startling array of alleged facts, Mr. Gardner said:
"The reverse of this story is the truth.

am going to New York at the solicitation if some gentlemen who are interested in ne establishment of some new clubs and desire to consult with me regarding their organization. This proves that instead of clubs withdrawing new ones are being coninually added:

one letter or heard one word indicative of any dissatisfaction among the membership of the National Association of Democratic Clubs, or an intimation that a single cinb sought to sever its connection with the organization. So far as our reports go, everything is harmonious, and the Chicago ticket will receive the united support of the clubs.

as been received at Democratic headquar

tating. We have at present 100 Republi-cans in this place ready to declare for Bryan

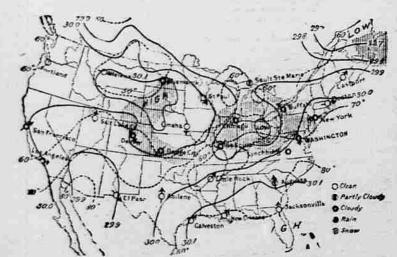

Chairman Babcock of the Republican the Third Congressional district conven-tion, before which he will be a candidate

Senator Proctor of Vermont called headquarters during the forenoon, and had a long talk with Vice Chairman Apsley. In speaking of the situation in Vermont, Senator Proctor said:

GIBBONS, BUTTER of believe South Dakota will go Republican, for the reason that the silver senti-

MIDDLE-ROAD MEN ANGRY. Threatened to Bolt Because Defeated

ne or two added planks.

on Permanent Chairman Issue. St. Louis, Mo., July 24,-The "middleof-the-road" men had a lively caucus at the Southern Hotel last night. The speakers claimed that the reason they were defeated on the permanent chairman issue was because they had put up a man who was unknown. At first there was a strong

incination toward a bolt, and a resolution

was introduced which declared for a bolt unless a straight, "middle-of-the-road" ticket and platform were adopted. Ex-Lieut. Gov. Gibbs, of Texas, made strong speech against the resolution. Other speakers followed, urging the angry dele gates to go slow and do nothing radical. After two hours of debate the resolution was withdrawn, and a steering committee

was appointed to lay out a plan of action "middle-of-the-road" men have determined to make a strong fight on the platform, and a bolt may come unless the Omaha platform is adopted. Little was said for or against Bryan in the caucus, but the speeches against Sewall and in favor of a Populist Vice President were loudly.

PLANKS IN THE PLATFORM.

Declarations in Favor of Free Silve

and Direct Legislation. St. Louis, Mo., July 24.-The subcom mittee on platform appointed by Gen. Weaver remained in session until late in the evening. Many of the proposed planks opposition among those disposed to insist upon a radical declaration of principles. Especially was this the case in the sub committee having charge of the financial

plank. Gen. Coxey, of Obio. re-enforced by Mr. Jerome C. Kearby, of Texas, urged the adoption of Coxey's non-interest-bearing bond scheme, but they were outvoted, and dectared their intention of submitting a minority report to the full committee. HECHT & COMPANY, 515 Seventh Street.

ment among the members of that party will not affect their Republicanism. "They are convinced that sliver will ultimately receive better treatment at the bands of the Republicans than those of any other party. I do not think the Demo-Any suit on the first table to your cratic-Populist combination will be able to carry out their program. left as you enter the door and "Sepator Pettigrew will not take any there are 184 of them which are considerable number of Republicans with him in his bolt. > HECHT & COMPANY, 515 Seventh Street. . .

Gen. Weaver, chairman of the committee stated that the pintform would be better than that adopted at Omaha and would omit the radicalism that found expression in that deliverance.

The preamble will reaffirm the declara-tions of the Omaha platform. The financial plank, as reported to the full committee and is it will be reported to the convention today, is as follows:

First-We demand a national currency rument only, a full legal tender for all debts, public and private, and receivable for all debts due the government, and that without the use of banking corporations; a just, equitable and efficient means of dis-tribution direct to the people through the lawful disbursements of the government.

FREE COINAGE DEMANDED. Second -We demand the free and unre stricted colunge of silver and gold at the present legal ratio of 16 to 1 by the United States, and that without waiting he cousent of foreign nations.

Third-We demand that the volume of the circulating medium be speedily increased to an amount sufficient to meet the demands of business and population of his country and restore the level of prices and labor and production, and thereby reestablish the prosperity and happiness of the people.

Fourth-We denounce the Democratic and Republican policies that seek to enslave our people by the issuance of interest-bear ing United States bonds to be sold on Engish and foreign markets, and steadfasti; adhere to an American policy that will produce revenue sufficient to maintain le gitimate and economic expense, Fifth—We demand such legislation as will

revent the demonetization of the lawful money of the United States by private con-

Sixth-We demand that the government, in payment of its obligations, shall use which it shall pay them, and we denound the present and preceding administrations for surrendering this option to the holders of government obligations.

INCOME TAX WANTED Seventh-We demand a proper incom-

ax, to the end that aggregated wealthshall pear its just proportion of taxation.

Eighth—We demand that postal savings

banks be established by the government for the safe deposit of the savings of the people and to facilitate exchange. The direct legislation plank is as follows "We hold that all governments derive

their just powers from the consent of the governed, and, in order that the consen the governed may be ascertained, in stitutional safeguards, so that the citizens shall have the right of initiating, fram ing, and proposing laws, and of compelling on thereof and of all impor tant laws, whether proposed by national State, or local legislatures, to a direct vote of the people for their approval or

The plank relating to public lands pro hibits alien ownership and provides that the uncarned land grants of the Pacific and other railways shall revert to the government to be held for hone fide settlers. SILVERITES WAIT ON POPS

(Continued from First Page.)

the convention, said Mr. Stewart, he would not have been nominated. The six hundred and twenty silver delegates could not be awerved from their purpose. Every silver man was one of us-a friend of the country and opposed to the British control of our finances. If they unite, and they are uniting, they will march on to victory. (Cheers.)

OLD SOLDIERS TO ORGANIZE The convention took up the veteran sollier resolution and it was decided to call the roll of States that the chairmen of delegations might announce the number of veterans in each State delegation. The call resulted in showing 196 Union soldiers, 18 Confederates and 4 Mexican soldiers represented in the convention.

Out of the roll call grew a suggestion, which crystallized into a motion which was agreed to that the old soldiers and sailors war armies form the basis of an organization within the party for campaign purposes to save the Union. Mrs. Helen Gougar called a meeting of all

the ladies present for this afternoon to form a woman's national silver league. (Cheers.) Miss Helena Hartnett Mitchell, of Alton. Kan., was introduced. and, stating that, being inspired by the nomination of Bryan, although she had never before written

poem, she had written on the "Wail of Will-

fam Whitney.'*
Itwassemi-hamorous, and the various hits at Whitney, Hill, and Depew aroused in-tense enthusiasm. At the close of the recitation many of the delegates rose and expressed their feelings by shouting and waving hats, handkerchiefs and flags It was the most enthusiastic ovation of the nvention.

C. R. Scott, of Omaha, formerly a Republican, said that he would work to bury the party he had left. Whitney had made the announcement that something should be done. He wished to inform Mr. Whitney that something would be done

ANYTHING BUT CLEVELAND.

Reference was made by a delegate on the floor to Cleveland. Replying to this, Mr. Scott said: "Oh, God, give us cyclones if they must come; war, famine, and pests; but O! in Thy mercy, save us from another four years of Grover Cleveland!"

He called, in conclusion, for three cheers for Bryan, and they were given with a will. At 12:32 the convention adjourned until 3:30 p. m.

Hugh Wallis, THE VENUS OF THE SUBURBS.

Was Only a "Second Help," but Paralyzed Boston. The handsomest woman in Brookline, beyond the shadow of a doubt or a peradventure, is a second girl in the family of a retiredshopkeeper. We met her by the merest
accident; we happened to sit in madding
proximity on the beach of a street car.
She is large, a daughter of the Titans, a Jael Dence, ox-eyed, bathukolpos (to use the language of the ancient Greeks). A woman that might sit as model for Juno or the mother of the Gracchi, says the Boston

We were not deterred by her classic severity, and entered into conversation with her, affably but respectfully. Her vocabulary is limited, but the curves of her ips canoble her simple words and turn sole-cisms into chiseled phrases. Conscious of her physical strength, she fears no light word or too-adoring glance. She came from Cape Breton, and we learned that it is the custom of the country for farmers dying to leave their land to the eldest son. When the son is married the daughters must go into the world to earn their living. And so this serene goddess, for whom Ganymede should pour celesial wine, is now an exile at work in Brookine. We would fain have secured her photograph for publication, but she has only an instan-taneous tintype, and, as she proudly said, it does not do her justice.

Supt. Stevens Presents It to Commissioners.

COST OF THE IMPROVEMENT

The Matter Is Now Under Considera tion-Petitions and Requests for Public Works-Minor District Matters-Daily Orders Affecting the Various Sections of the City.

The District Commissioners today sub-mitted to the Hop. Daniel Lamont, Secretary of War, a report made to them by the superintendent of the bathing beach. Mr. W. X. Stevens, of the plan for the development of the "Little Basin" into a bathing pool, with the request that he give

his assent to the details as set forth.

In oes ribing the beach, air, sevens states that "a very small area directly around the basin in question has not yet been filled to the level designed by the officers in to the level designed by the officers in charge, because, previous to the present act of Congress, it has been an open question what should be done with that hasin It was originally designed for flushing the Seventeenth street sewer, but has never been connected therewith, and now that the sewer is to be discontinued, the tasin is not needed.

s not needed,
"It would cost the government \$27,000 "It would est the government \$27,000 to fill up and destroy it, or it would cost \$30,000 to wall it around like the rest of the water front. The saving of that amount of money to the government is an economic feature which had much weight in inducing Congress to grant the Little Basin to this city as a bathing pool." RAISE THE BANKS.

Mr. Stevens suggests that before the work of grading the bottom of the pool is begun the banks and the low grounds surrounding should be raised up to the established level of the flats.

The co-operation of the chief engineer is solicited in executing the plans, including the raising of the banks as promosed leav.

the raising of the banks as proposed, leav the raising of the banks as proposed, leaving the mouth of the basin forty feet wide
between the dirt banks; preserving the
trees, and other details practically as set
forth in a description of the premises published several weeks ago in The Times,
Mr. Stevens proposes that the appropriation of \$4,000 be used to clear the basin
of obstructions to grade a parties of the of obstructions; to grade a portion of the northwest side as a public driveway along the water's edge, and to grade the rest of the shore at a slant of 1 to 10 from high tide line inward to where the water shall be four feet deep at the established level, the bottom thereafter to be of evice grade to the edge of the driving pool, at which it shall be four and one-half feet

The plans, as heretofore published in The Sunday Times, are elaborately set forth, and the approval of them by the Secretary of War is solicited.

Crushed the Boy's Foot. Edward Fowler, colored, seventeen years old, living at No. 215 Warren street northeast, was painfully injured this morn-ing. The boy was playing in the street near the corner of Seventh and N streets outheast and was run over by one of Knox's express wagons. One of the wheels passed over his left foot at the ankle and crushed it.

Mrs. Delia Ryan, the iderly lady who was ent to jail last Saturday to await the action of the grand jury, for passing a coun terfeit 50-cent piece, was pronounced in san etoday by Dr. D. K. Shute of the jail. She will be discharged at once. Wife Made Beneficiary.

Mrs. Ryan Adjudged Insane.

The will of the late Christian A. Sohl was filed for probate today. It bears date of March 23, 1891; makes Sabina Sohl, the wife, sole beneficiary, and names Minna Sohl, a daughter, executrix. Porter's Fingers Crushed.

Samuel Mickens, a colored porter, at No. 1300 Pennsylvania avenue, had two ingers of his right hand crushed today by falling box. He wastreated at Emergency Hospital. BEARS SOLD LONG STOCKS.

Speculation Was Quiet. New York, July 24. - The agitation about putting a third Presidential ticket in the field and the views expressed by ex-Secretary of the Navy Whitney concerning the political situation had a depressing effect in Wall street this morning, as did also the probable indersement of Bryan by the Populists. The bears sold freely and suceding in dislodging considerable amounts of long stocks, the result being a decline of anywhere from 1-4 to 2 1-4 Almost the entire list participated in the decline. Sugar fell 1 5-8 to 103 3-4, Atchison pre ferred 1, to 17; Burlington & Quincy 1 7-8, o 64 1-8; Chicago Gas 2, to 51 3-4; St. Paul 7-8, to 70; Rock Island 1, to 55; Genrai Electric 1, to 23; Louisville & Nashville 7-8, to 45 7-8; Manhattan 2 1-4, to 91 3-8; ersey Central 1, to 92; Tennessee Coal 7-8, to 16 1-2; and Leather preferred 1 1-4. o 47 3-4. At the lower range of quotaions a demand of considerable proportions prang uptocovershorts and a rally of 1-4 to

per cent ensued. A few stocks were exceptionally firm throughout the first hour: Lacka wanna rising to 151 1-2; Big Four 1, to 24; and Metropolitan Traction 3-4, to 96, At 11 a, m, speculation was quiet and

steady in tone. There was renewed weakness in the tock market after 11 o'clock, and in some instances the lowest quotations of the day were reached. Manhattan was especially eavy, declining to 92 3-4 on rumors that the forthcoming quarterly statement will make an unfavorable showing, and also on vague stories about an intention on the part of directors to reduce the dividend Sugar fell to 103 3-4; Rock Island, to St. Paul, to 69 3-8; and Louisville and Nashville, to 45 1-2. At noon speculation

was weak in tone. NEW YORK STOCK MARKET.
